PROCEDURE PRIOR TO OBTAINING A BUILDING PERMIT

******IMPORTANT, PLEASE READ******

1. The Town of Star City adopted the BOCA Basic Building Codes in July 1989. A volume of the code book is located in the business office of the town, located at 370 Broadway Avenue, for your convenience
2. Any contactor or authorized agent who wishes to Construct, Enlarge, Alter, Repair, Move, or Change the structure of any dwelling or structure must be registered with the town. This can be done at the business office as well. A business and occupational (privilege tax) fee may apply.
3. If the owner of the building or structure will be doing the work on their OWN building, they need not register with the town for B & O tax, unless they are constructing or remodeling the structure for resale.

NEW CONSTRUCTION

1. All new construction must have a sanitary sewer and water tap approval BEFORE a permit will be considered. A fee is required for BOTH the water and sewer taps.
2. Information concerning these taps can be obtained by calling the Street & Water Foreman at (304) 599-2818 or by visiting the town business office.
