

Residential- Single Stream Recycling Program

We are pleased to announce a new residential single-stream recycling program for the citizens of Star City. The single-stream recycling program is a CURBSIDE PICKUP once per week. Recycling may be placed in any trash bag and will be picked up from the **front curb area** every Thursday (excluding holidays). Customers with special needs should contact the Business Office to discuss other accommodations.

The acceptable items (as listed below) DO NOT need to be separated, as ALL items can be bagged together. Smaller, flattened cardboard/chipboard items may be collected into a larger cardboard box and placed alongside the bags. If bags appear to contain non-recyclable items, they will not be collected.

Acceptable Items

- Plastic-numbers 1 through 7 (number located on bottom of item)
- Aluminum cans-please rinse
- Steel and bi-metal cans-please rinse
- Glass (clear, amber, green)-please rinse
- Chipboard (cereal, pasta, tissue boxes, etc.)
- Junk mail/office paper/shredded paper
- Magazines/catalogs
- Newspapers
- Paperback books (including telephone books)
- Hardcover (with covers removed)
- Corrugated cardboard, including pizza box TOPS (NO wax coating or grease marks)
- Milk/juice cartons with “gable” tops (where the top is pushed to open as a spout)
- Juice/soymilk boxes (aseptic containers)

Unacceptable Items
